The Family Team Meeting

When a child is removed from his/her home, it is a difficult and stressful time for the family and the child.

Families play the single most critical role in a child's future.

A Family Team Meeting is one way in which information can be shared about the child's needs and family's wishes, such as hair care, religious preference, favorite foods, bedtime routines, etc.

Please Bring With You

- 1) Medical information important to the health of the child(ren), i.e. shot records, allergies, etc.
- 2) Necessary clothing and other items needed, such as favorite toys, a blanket, pacifier, books, CDs, etc.
- 3) School information, such as report cards, copy of IEP, etc.

If you have any questions about Family Team Meetings, please call Antuane Hammond, Supervisor, at (330) 379-2110.
