Child and Family Leadership Exchange Class XXVI Graduates

AKRON, Ohio – May 2022 – Summit County Children Services (SCCS) hosted a graduation for the Child and Family Leadership Exchange (CFLE) Class XXVI on Thursday, May 12 at the Sheraton Suites in Cuyahoga Falls. Judge Linda Tucci Teodosio gave the opening and closing remarks.

The mission of the CFLE is to promote collaboration and excellence in leadership among Summit County professionals serving children and families. During the past year, Class XXVI participants gained an in-depth understanding of the county's child and family services through full-day class sessions, pre-class activities and interactions with various organization leaders.

The class participants coordinated a massive class project to respond to a specific community need and formed many lasting relationships. Class XXVI worked with South Street Ministries Bike Shop to clean and organize the site to open soon. The hands-on approach to learning facilitated communication between service providers and enhanced the effectiveness of leaders committed to strengthening family life in this community.

SCCS would like to congratulate this year's graduates:
