**Summit County Children Services to Host Virtual Event to Learn More About Foster Care**

**AKRON, Ohio – March 2021** – Summit County Children Services (SCCS) will host its first ‘Chat with a Foster Care Coordinator’ event. This informal event is scheduled for Saturday, March 13 from 10 to 11am and will be held via Zoom.

Making the decision to become a foster parent can be exciting and rewarding. SCCS is offering this virtual opportunity to answer participant questions regarding the process and the details surrounding the support that is provided by the agency. A SCCS Foster Care Coordinator will be on hand to lead the discussion and help to navigate participant questions. There will be no formal presentation offered. Currently, there are over 750 children in agency custody. Last year, SCCS served 1 out of 12 children.

This event is open to the entire community, however advance registration is required. Upon registering, you will receive the link for the Zoom meeting.

For more information about foster care and adoption, please call the foster home inquiry number at (330) 379-1990 or visit the SCCS website at [www.summitkids.org](http://www.summitkids.org).
