It's that special time of year where the focus is on the children!

You can help Summit County Children Services (SCCS) make the holiday season more special, brighter and merrier for the children we serve this holiday season through our Amazon Wish List.

Here's how it works ...

- Visit our Amazon Wish List page to select the items you wish to purchase and donate. To make your shopping easier, toys have been divided by age and gender, and high priority items have been marked. If you prefer to donate Amazon gift cards, you are welcome to do that as well.
- All items can be shipped to:
Summit County Children Services
264 S. Arlington Street
Akron, OH 44306
ATTN: Holiday Program

Or you are welcome to deliver your donations to the agency. In order for your donation to benefit children this holiday season, donations are needed **by Friday, December 16.**

If you have questions or need additional information, contact Sandy DeLuca at (330) 379-1994 or by email at sandy.deluca@summitkids.org.
