**Summit County Children Services continues to serve Fathers**

**AKRON, OH – May 2020** – Summit County Children Services (SCCS) is committed to the safety, permanency and well-being of all children served, in partnership with families and the community. Our partnership with families certainly includes fathers whether in the home, non-residential, stepfather, father figure or adoptive.

June is celebrated as Responsible Fatherhood Month, and SCCS will be offering virtual fatherhood classes during these unprecedented times. Mr. Shawn Crable, SCCS's Fatherhood Practitioner, is currently conducting virtual individual sessions to fathers served by the agency, with plans to add virtual group sessions in the near future. Aside from working as SCCS's Fatherhood Practitioner, Mr. Crable is a coach, mentor, and a father of six. In his role with SCCS, he helps guide and encourage fathers to play a more active role in their children's lives. "My passion is working with fathers and I enjoy seeing the dads grow as a parent and as an individual during these sessions", said Crable.
