Summit County Children Services to host Virtual Foster Care and Adoption Information Meetings

AKRON, Ohio – September 2020 – Summit County Children Services (SCCS) will host virtual Foster Care and Adoption Information Meetings on Thursday, October 15th and Tuesday, October 27th from 6-7pm. These events will be held via Zoom.

For those who would like to attend these virtual meetings, you will learn a variety of details about foster care and adoption, including how long the process is and what kind of support is provided by the agency. Currently, there are nearly 800 children in agency custody and 170 licensed foster families.

A social services supervisor and a foster care coordinator will be available to share basic information about the children who need foster or adoptive families. These events are open to the entire community, however advance registration is required. Upon registering for one of these events, you will receive the link for the Zoom meeting.

For more information, please call the foster home inquiry number at (330) 379-1990 or visit the SCCS website at summitkids.org.
