POLICY:

Summit County Children Services (SCCS) will ask foster and adoptive families terminating services with SCCS to complete an exit survey to assist with quality improvement.

PROCEDURE:

All foster and adoptive families terminating service with SCCS will be provided a SCCS Exit Survey in order to assist SCCS with providing quality services to children and caregivers. At the time of withdrawal, transfer or closing of the foster home license or adoptive home study, the SCCS Exit Survey will be mailed to the caregiver with a reply envelope. The caregiver may choose to respond anonymously if preferred. All exiting caregivers are encouraged to respond to the survey.
