

“ Knowledge of our mission and mandates is paramount to the success of Summit County Children Services. The Speakers Bureau will allow our community to obtain a deeper understanding and better knowledge of SCCS and our programs and services while fostering safe and permanent environments for children to thrive.”

*Cassandra Holtzmann  
Executive Director*

## Interested IN LEARNING MORE?

Summit County Children Services staff are available to speak to your organization and provide information and resources regarding child abuse and neglect as well as a whole host of other topics. Contact us today to arrange a visit from a member of the SCCS Speakers Bureau.

## SPEAKERS BUREAU

*Educating the community about  
agency programs and services  
to help keep children safe*

[summitkids.org](http://summitkids.org)

## Our PURPOSE

Community education programs are designed to promote public awareness of child welfare issues and child protective services to enhance collaboration and increase the public's understanding about child abuse and neglect. Presentations discussing an array of topics such as agency programs and services, techniques and abuse prevention are offered with the goal of strengthening family life.

## Our SPEAKERS

All speakers are agency staff who offer professional training and resource information through community presentations.

# NUMEROUS PRESENTATIONS AVAILABLE Request a speaker TODAY

## Topics DISCUSSED

- Mandated Reporter Training
- Agency Information and Overview
- Child Abuse Recognition and Reporting
- Opioid Crisis and Its Impact on Child Welfare
